## Volunteers Needed

Successful Family Functions at Bitterroot = Volunteers!

Without a doubt, volunteers are at the backbone of Bitterroot School. You touch the lives of our children everyday in so many ways. Let's work together to give our children the best school experience possible!

PTA Volunteer:

Put a check in front of the event(s) you would like to help with. Marking these items does not obligate you to volunteer; it just helps us determine who might be willing to help.

**You don't have to be a member of the PTA to volunteer at one of our events.**
